The Genius Plan

The Genius Plan is the story of two puppets named Four and Five who are thrown out of their Genius PreK app and into real-life! A virus has made them sick and they need help from a scientist named Professor I.T. Peapod. Along with his newest invention, a robot named Gene the Genius, the professor and his pals work with the audience to stop the virus and send Four and Five back to the app where they live. Our show includes comedy, music, drama, and opportunities to learn and focus on social-emotional skills. This show is ideal for PreK through 1st grade audiences.

Judy Moody & Stink

Judy Moody and her brother Stink have arrived in a new musical by ArtsPower! In our newest musical, Judy Moody and Stink, this dynamic sister and brother duo take audiences on a hilarious adventure. As usual, Judy is in a mood. After seeing her classmate's picture on the front page of the newspaper, Judy wants to be famous and sets off to find fame and happiness. All the while, Stink and his foul-smelling sneakers become a real distraction as he vies for the coveted Golden Clothespin Award. Judy Moody and Stink are the perfect pair for their imperfect capers that lead to fun, mystery, sibling rivalry, and, in the end, true friendship.
